

# **MARTIN-VILATO ASSOCIATES, INC.**

**Consulting Engineers**

**2730 S.W. 3rd. AVE., SUITE 402, MIAMI, FL. 33129**

## **PRINCIPALS:**

**Ricardo A. Martín**, P.E., President  
Mechanical Engineer

**Enrique G. Vilató**, P.E., Vice-President  
Electrical Engineer

## **HISTORY:**

Martin-Vilato Associates, Inc. was founded in 1981 for the purpose of providing combined mechanical and electrical consulting engineering services to architects, interior designers, developers, and government agencies.

The principals have extensive experience in their own fields and are ready to assist their clients from planning to final design and construction.

We presently have projects under design or construction all over South Florida. Throughout the years, we have designed projects all over the U.S. and overseas.

The firm is fully covered with professional liability and commercial insurance.

We are continuously expanding our design capabilities through the use of our computers for lighting design, economic analysis, and energy calculations, as well as for CAD applications

At present, the firm employs the services of five engineers, designers, and CAD operators.

In 1996, the firm received the "Outstanding Consulting Engineer of the Year" Award issued by the American Institute of Architects (AIA), Miami Chapter.
